

The TGHSLL was established for the High School Girls playing under its umbrella. The goal of the organization is fair and consistent rules and fair play. All of which is meant to foster a safe, honest and equal environment. To that end The TGHSLL will determine at its sole discretion what players fall into a particular TGHSLL Members Program. The League encourages honesty from all parties participating and assumes all will be honest in answering all questions. However, should any information prove to be false the League will issue penalties to all parties involved. Therefore, read the questions and understand them clearly before you answer. If you have doubts ask your District Vice President for clarification before signing. Failure to sign or false statements will result in the immediate termination of ALL connections as a player, coach, parent and program.
